# 2025 Public Benefit Report: Tigard Location

Dear Reader,

Ginger & Maude® Hair Salon was North America's first B Corp® salon brand. Being a B Corp means creating a positive impact on the triple bottom line: profit, people, and planet. B Corps consider social and environmental results on the same level as financial results. Business practices are reviewed and certified by a third-party organization.

All Ginger & Maude Hair Salons are required to become Certified B Corporations™ and apply for Pending B Corp Status even before they open their doors.

In addition, all Ginger & Maude Hair Salons are registered Benefit Corporations in the State of Oregon, which is in alignment with B Corp business practices. As a Benefit Corporation, we have committed to creating transparency and sharing reports with our employees, our clients, and our community.

This report provides information about our public benefit performance for 2025.

Best,  
Jill Habrich

## About Us

Oranje Boutique Corp DBA Ginger & Maude® Hair Salon was founded in 2023 and opened its doors in 2025. Our boutique salon in Downtown Tigard offers hair services and products in a welcoming environment, with a focus on promoting and supporting inclusion and the well-being of our customers, employees, and community.

As both a Certified B Corporation™ and a registered Benefit Corporation in the State of Oregon, we strive to be a successful model for better business and to inspire change in the salon industry. In 2025, we made positive impacts in three main areas:

- sustainability
- employees
- community

# Sustainability

When opening in 2025, our Ginger & Maude® Hair Salon in Tigard became a partner with Green Circle Salons. We participate in local recycling programs, but many types of salon waste (used foils, color tubes, hair clippings, and excess hair color) are not recyclable through traditional recycling programs. By partnering with Green Circle Salons, all Ginger & Maude Hair Salons are able to recycle and recover the majority of our beauty waste.

Green Circle Salons provides a pathway to sustainability for the beauty industry in North America. Green Circle Salons takes the beauty waste and turns it into a variety of beneficial materials and products, such as:

- Hair booms for oil spill cleanup
- Bio-composite plastic for items like recycling bins
- Recycled metal for items like bicycles
- Clean energy
- Clean water

# Third-Party Assessment of Public Benefit

As a Benefit Corporation, Ginger & Maude® Hair Salon in Tigard is required to have a third-party assess and report on our social and environmental performance. This requirement has been met through the B Corp® certification process conducted by B Lab, an independent non-profit. B Lab evaluates performance on a regular basis and reports scores to the public on their website.

Oranje Boutique Corp DBA Ginger & Maude® Hair Salon has achieved Pending B Corp status and will be eligible to be fully certified after 12 months of operations.
